**Re: Notification of Subscriber Transfer  
CC Docket No. 00-257**

Dear Madam Secretary:

Pursuant to Section 64.1120 of the Commission's Rules, this letter provides notification of the transfer of certain Missouri local exchange subscribers of 24/7 Communications Inc. ("24/7") to SBC California.

24/7 was unable to continue providing its customers telecommunications service in the SBC California region. To prevent disconnection of service for 24/7 customers, SBC California began providing 24/7 customers local telephone service, for an interim period, on October 8, 2004. SBC California provided these customers advance notice that it would become their new provider of telecommunications service as of November 8, 2004 unless they selected another provider. SBC California certifies that it has complied with the obligations specified in the notice and any other applicable statutory and Commission requirements. A sample notification letter is attached hereto.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

/s/ Davida Grant
